February 2024 Newsletter

Rates Update

Prices up to \$6.29 per gallon, small increase in hourly.

- 172 \$100
- Archer \$110
- 182 \$171
- Lance \$192

Calling all shutterbugs!

on our website. If you are out and about on a flying adventure be sure to snap a photo or two and send them into Mark T at photos@flywell.org. We love seeing where everyone has been.

Currency

We've had an amazing past few months for flying, many of us have been able to keep current over the winter.

As we roll into spring make sure you are current with all FAA regs and insurance. If you need to get recurrent or just want a refresher make sure to reach out to one of our amazing club CFIs!

Aircraft Scheduling

make sure you are staying on top of your reservations in Aircraft Clubs.

If you are back early make sure to mark it. If you cancel a reservation please notify the other members. Many of us like to slip in last minute flights!

Ethan P's First Solo

Ethan Parker, a student at White Bear Lake Senior High, has been working on his PPL with Kurt the past few months. Last week he took his first solo flight in N3015D! This dad is awfully proud of his accomplishment! Ethan plans to continue his aviation education by attending Sling Pilot Academy in San Diego after high-school graduation.

Maintenance Reports

C172

Aircraft is flying well

- Fixed primer with new o-rings

Archer

Aircraft is unavailable

- Currently in annual

C182

Amazing

Lance

Flying well

- Scheduled for annual March 18-29. Might happen sooner.

Hangar

- Issue with the snowblower electric starter has been resolved and I added air to the right tire, if it continues to leak will investigate further.
-
