September 2024 Newsletter

Rates Update

No change in fuel prices this month.

- 172 \$102
 - Archer \$112
 - 182 \$174
 - Lance \$195
-

Floatplane Day

A big thanks to Heidi and Chris for hosting our floatplane event again this year. Steve brought his plane and gave a bunch a rides. We had a wonderful time!

Winter Social

While we are not feeling the cold yet, we wanted to get ahead of planning our winter member event. We'd like to get a pulse on what weekend would work best for most people.

[Take the survey...](#)

Membership

This month Nickoli Lanier joined the club. He is a Delta Pilot and comes with a wealth of experience and knowledge. Welcome Nickoli!

Our 2025 scholarship is open and we are looking for applicants. If you know of any candidates please send them to our website!

Archer Upgrades

3015D is scheduled for its avionics upgrades in November. The upgrades will basically replicate the 172 avionics package but with a Garmin GTN 650 instead of the 430.

Hangar Repairs

Over the past few weeks we have found and hired a structural engineer. He worked with our contractor and drew up plans to repair our rotten posts as cost effectively as possible. And we had those drawings approved by MAC. We chatted about the approach last board meeting, you can learn even more in October. Everyone involved is very concerned about the winter snow load on the hangar, we want to get this project going before it gets too cold!

General Session + Board Election

Our October meeting will serve as a general membership session and board elections.

We will also be discussing and voting on hangar repairs. This is an important meeting to help shape the longevity of our club!

Wednesday, October 2nd @ 7pm

Don't be a dipstick

Remember, there is no need to over-tighten those dipsticks! They will not fall out during your flight!

The rule of thumb is ¼" inch turn, (read that again... 1 quarter inch

Hangar Ace

Our hangar ace this month is:

Fred Ames

Sign up...

*Thank you to all our volunteers for helping control our costs
and making Flywell an amazing club!*
